

Dear KMB Members,

KMB DEAL FLOW has 2 KMB member lenders ready to talk to KMB people who have any Bonds.

If you can supply KMB the information below; KMB will put you in direct contact with the KMB member Lenders.

Please feel free to forward this KMB DEAL FLOW OFFER on to any contacts who may be needing money against Bonds.

KMB believe this is a great KMB DEAL FLOW avenue for people to strike a deal with "OLD BONDS" they may have.

Below is an KMB outline for monetizing bonds. Please get back to KMB as soon as possible.

In KMB DEAL FLOW Reference to monetizing Bonds:

KMB can arrange financing against bonds for many governments, easily. We are dealing direct with the KMB member lender who lends to our KMB top banks.

The problem is that most of the time these BOND'S turn out to be fraudulent.

The KMB member lender will need to be able to speak to the issuing government to verify them, prove ownership, history and be certain that these have not expired, etc... It is just that simple, like proving you own your car. Photos alone will not work.

Please answer a few KMB DEAL FLOW basic questions:

1. The face value of the bonds.
2. Pictures of the bonds.
3. Who owns the bonds?
4. How did they come into ownership of the bonds?
5. Where are the bonds now?
6. Have the bonds expired?
7. If not, when do they mature?
8. Contact information of the finance minister's office that can verify their claim to the bonds.
